BOOK SYNOPSIS

SAT Math Prep 800: Challenge Yourself to a Perfect Score contains 500 of the most difficult types of problems found on the math SAT. These problems are organized into 32 short tests, starting with an initial 25-problem assessment, followed by a series of tests that allow you to measure your progress. This rigorous book is perfect for students who have already mastered the material found on the math SAT and have already scored a minimum of 600-700 out of 800 on either an actual SAT or PSAT exam, or on an official practice test. The goal of this book is to help ambitious students who are in the top 15 percent of test-takers practice solving problems to raise their scores as close as possible to a perfect 800.
